SEE COMMENT

DRUGS OF ABUSE SCREEN IS FOR DIAGNOSTIC PURPOSES ONLY.

Not valid for employment drug testing. This is a screening test only. Positive results are not confirmed by GC/MS unless requested separately. If confirmation of a positive screen is desired, notify St. Tammany Parish Hospital Laboratory within 5 days.

Interpretive Information:

Negative: No drug detected at the cut off level.

Positive: This result represents presumptive positive for the tested drug, other substances may yield a positive response other than the analyte of interest. This result should be utilized for diagnostic purpose only. Confirmation testing will be performed upon physician request only.

Inconclusive: Result unobtainable by this methodology. Specimen will be sent out for confirmatory testing.
