

2019-07-08 Neurology/Epilepsy Monitoring

Initial/First Appt Notes

Notes

Doctor:

Dr. Piotr Olejniczak

Neurologist, GRAVIER MULTISPECIALITY CLINIC

Phone: 1-504-412-1517

- *Notes on Phone:*
- General “main” phone number for all on site Neurologists. Within their clinic.
- Includes the number I’ve got listed down as “main” for Dr. Mike Charlet. (Who I see later in wk.).
 - o Indicates many who work in this neurology facility.

Fax (Direct): 1-504-412-1518

- *Notes on Fax:*
- I had the following marked down as the official fax num in my notes in Dr. Olejniczak’s contact.
- Above is what my **final** faxing of the referral on 1/23/19 was sent to.
 - o **Assume** that therefore above listed.
 - o Is **correct** office/direct Fax Num.
- 1-504-412-1518 (Old? Incorrect?)
 - o Fax # that’s listed within my “Notes” for the Dr’s contact.
 - o **Note:** To do later mark here correct Num:
 - Fax:
→ 1-504-412-1518 ←

Address:

GRAVIER MULTISPECIALITY CLINIC

JardogsDepartment

2025 GRAVIER ST

New Orleans, Louisiana 70115

US

Notes:

- 1:00 pm appt time
- LSU Healthcare Network
- Type of appt is listed online as “New Patient 30 Min”.
 - Assuming this is indeed to setup for future epilepsy monitoring and diagnosis.
 - (Then treatment?)
 - Etc.

Notes: 7/8/19 6:27 pm **Update**

- Work Fax (Direct Clinic's Front Desk Area)
 - 1-504-412-1518
 - Direct Clinic's Front Desk Area
 - Where you initially wait. Not inside the area that is to see patients.
 - The 5th flr neuro separates the initial waiting room. Since it's the whole floor?
 - Either way the receptionists for the whole clinic are at the above fax num.
 - The doctor's personal "internal clinic" receptionists have their own separate non-external setups. Inside the area that the doctor's see the patients themselves.

2019-07-08 6:27 pm **Update**

Notes – Future EEG scheduling

6:07 pm call received

- 7/8/19 1m 39s
- From 1-504-412-1270
 - From the office. One of the receptionists, I guess.
- She called to give me this number:
 - 504-702-5700 (uni sch dept)
 - # for University Medical's scheduling dept.
- Receptionist instructs me to:
 - If by noon 7/9 call this num
 - 504-702-5700
 - University medical center scheduling dept.
- Only call if they haven't yet called me by 12:00 pm 7/9/19.

2019-07-22 11:45 **Update**

11:45 am called 1-504-702-5700

- Called to schedule EEG
- Dr. Olejniczak's office messed up on the order.
- Didn't put the correct date.
- Written for 7/9/19.
- Instead of the correct 7/9/20.

11:51 am Called 504-412-1517

- Got the receptionist to fix the EEG that was improperly ordered by Dr. Olejniczak on 7/8/19.

11:57 am called 504-702-5700

- Called university medical center
- University claims that date is still incorrect.
 - o As of called 12:02 pm 7/22/19.
 - o On her end the date still appeared as expiry of 7/9/19.
 - o University says to call her back tomorrow on 7/23/19, maybe the new order/fixed order will have updated?

12:09 pm called 504-412-1517

- Gravier multispeciality clinic
- They, Gravier, has to get their, Gravier. Scheduler, a woman employee. To contact my insurance and get authorization for EEG.
- It was authorized from the 7/8/19? – 7/18/19 before. But since it has not as of 7/22/19 expired. They need to get it re-authorized. Since it has since not been authorized.
- She, Gravier, receptionist said to call them, Gravier back on **7/23/19** evening. Or possibly after this fact.
 - o As they could have it done then. I need to check with them Gravier. To before calling university back and trying to get the EEG scheduled.
