CHILDREN'S HOSPITAL

Children's Hospital is a 247-bed, not-for-profit academic pediatric medical center offering a comprehensive range of healthcare services, including preventive care, routine childhood treatments and lifesaving care from our specialists. With over 40 pediatric specialties and more than 100 subspecialists, it is the only free-standing, full-service hospital exclusively for children in Louisiana and the Gulf South.

Critical care is provided in the hospital's 36-bed Neonatal Intensive Care Unit (NICU), 18-bed Pediatric Intensive Care Unit (PICU), and 20-bed Cardiac Intensive Care Unit (CICU), the only one dedicated entirely to the care of cardiac patients from birth to adulthood in Louisiana.

With the largest number of specialists dedicated to treating children in the state, Children's Hospital offers services so specialized, no other facility can claim them. Last year, Children's Hospital cared for children from all 64 parishes in Louisiana, 43 states and 9 countries

TOURO

Founded in 1852, Touro Infirmary is New Orleans' only community based, non-profit, faith-based hospital. For more than 160 years, Touro has had a special place in the heart of the community, providing high quality, compassionate healthcare to the New Orleans community. As a full-service hospital, Touro offers medical, surgical, intensive care, obstetric, skilled nursing inpatient services, inpatient and outpatient rehabilitation services and a 24-hour Emergency Department.

As an adult, acute care hospital, Touro offers comprehensive healthcare services at every stage of life, from delivering the second most babies in the state for any single hospital to providing cardiac, cancer and rehabilitation care in a warm and healing environment.

UNIVERSITY MEDICAL CENTER

University Medical Center New Orleans, home of the Rev. Avery C. Alexander Academic Research Hospital, continues a rich legacy dating back nearly 300 years. From the beginnings of Charity Hospital to the state-of-the-art, \$1.1 billion facility opened in August 2015, UMC fills a need no other hospital can. A public-private partnership with the State, UMC is Louisiana's largest training center for future healthcare professionals.

As the region's only verified Level 1 Trauma Center, UMC has the highest level response for the most seriously injured patients. UMC is committed to being a regional destination for compassionate, comprehensive care for all patients.

NEW ORLEANS EAST HOSPITAL

New Orleans East Hospital is committed to providing superior, quality healthcare and educational empowerment to the community with courtesy, concern, kindness, and compassion. New Orleans East Hospital is building a healthier community and serving as an active partner in the revitalization of Eastern New Orleans.

New Orleans East Hospital opened in summer 2014, bringing much-needed healthcare back to New Orleans East, which had gone nine years without a community hospital. The facility contains a six-story East Tower, formerly a part of the Pendleton Memorial Methodist Hospital, and a brand new three-story Patient Care Pavilion.

New Orleans East Hospital currently has over 120 physicians on staff to meet your medical needs. New Orleans East Hospital provides complete surgical services, diagnostic imaging, laboratory, emergency services, patient education and social services to both the inpatient and outpatient environments.

LCMC Health provides industry expertise and support to New Orleans East Hospital as the hospital's managing partner thus making New Orleans East Hospital part of a local, not-for-profit health care system that is committed to the community and dedicated to New Orleans East, Gentilly, St. Bernard and the Lower Ninth Ward.
