Prior Authorization for D-Amphetamine Salt Combo 30mg Tabs #90

I received a prescription for D-Amphetamine Salt Combo 30mg Tabs #90 on 2/2/18 from Dr. Cruz. To treat my narcolepsy.

The prescription is delayed pending prior authorization.

Walgreens gave me my insurances prior authorization dept's number which is as follows,

855-364-2970

Any help with prior authorization for the above prescription is appreciated.
