Tulane multispecialty
clinic

(@ Lakeview)

> Tulane's Northshore Dermatology Clinic

- Dr Williams northshore location.
- Is there every Tuesday, only. For apps at this location.

Notes - 8/5/19 Appt

- Appt date 8/5/19, Dr Laura Conway Williams, CHNO Dermatology.
- All clear re new notes/etc. Nothing concerning, if not literally nothing at all. As no new notes/lesions/etc. All notes having been removed 10 yrs ago approx.
- Informed by "Resident", hereafter referred as "Resident". He said Tulane + LSU are bought up by same parent hospital/med company. In 2018, so Tulane, which is Dr Williams + Resident. Also w/LSU at University Medical's facilities. Both run Children's Hosp together the same under new parent company. Each dept, ie ~~Derm~~, is run by a either at University, ie Tulane or LSU.
- Dr Williams wants me to switch from CHNO to her Northshore clinic. For adults following.
 - As of 8/5/19 informed by Northshore Tulane Multispecialty Clinic that they don't accept medical, at all.
 - So that won't work.
- Dr Williams also mentioned UMC as well. B/c she also practices there as well?
 - Or her associates/associated staff does. Trying this, UMC, route next.
 - As of 8/5/19 will contact CHNO, then try UMC as well.
