Ms. Erin Weller  
Children's Hospital North Shore Clinic – Occupational Therapy

Here are the requested measurements for my bathtub. For the bathtub/shower chair.

See the measurements below and attached photos of the bathtub itself/surroundings.

Bathtub Measurements:

20 1/8" outside

- ground to lip of bathtub

20 7/8" inside

- inner bottom of tub to lip

- curved as goes downwards

- hard to get accurate measurements
