

Kept my words

Christ warned very clearly of what was to come in a prophesy.

Christ said they remembered His words. ...

John 15:20 (ESV) Remember the word that I said to you: 'A servant is not greater than his master.' If they persecuted me, they will also persecute you. **If they kept my word, they will also keep yours.**

They had scribes who would be writing keeping record of what Christ stated trying to catch him in his words...

Matt 23:23 Then spake Jesus to the multitude, and to his disciples,

2 Saying The scribes and the Pharisees sit in Moses' seat:

3 All therefore whatsoever they bid you observe, that observe and do; but do not ye after their works: for they say, and do not.

The scribes job was to record things.

Matt 23:13 **But woe unto you, scribes** and Pharisees, hypocrites! for ye shut up the kingdom of heaven against men: for ye neither go in yourselves, neither suffer ye them that are entering to go in.

They would intentionally try to entrap Christ in words to try to get him to be on record...

Matt 22:15 Then went the Pharisees, and took counsel how **they might entangle him in his talk.**

The warning of Christ about them keeping your words was a prophesy of the end times.

John 15:20 (ESV) Remember the word that I said to you: 'A servant is not greater than his master.' If they persecuted me, they will also persecute you. **If they kept my word, they will also keep yours.**

Who are their scribes today who keep their records recording?

The NSA has plans like project PRISM continueing to be used as social influence and control. Monitoring and mass surveilence and censorship.

Facebook, Twitter, Instagram, and any social media platforms that are ran by zionists.

Those platforms who are not under their control for censorship are targeted and threatened.

Where they can entrap people through blackmail and surveilence.

They seduce people through black operations that they create themselves and then they blackmail people to do what they want through this method of surveilence.

The synagogue of satan is behind this survielance using corperations as a social engineering tool to

control thier matrix.

Rev 2:9 I know thy works, and tribulation, and poverty, (but thou art rich) and I know the blasphemy of them which say they are Jews, and are not, **but are the synagogue of Satan.**

IF you notice you cannot use the term on social media “synagogue of satan” you will be flagged for hate speech. Who do you think is surveillenncing this?

It is zionist intelligence ran by Cohens which are the pharisees and the people working to record the data for them are their scribes.

Matt 23:13 **But woe unto you, scribes** and Pharisees, hypocrites! for ye shut up the kingdom of heaven against men: for ye neither go in yourselves, neither suffer ye them that are entering to go in.

They are actively targeting Christians so they can try to remove Christian influence in the social matrix they are creating in order to promote a false messiah and false narrative of bible.

Controlilng the record and data to what public can see in internet searches allows for them to scrub information and peoples existance in their matrix at any time. You dont have paper trails of your existance on the internet if they wipe them.. but they are able to present the record of history they want to present to public... through the blackmail they have collected on everyone in planet..

This long started like the STASI that was operating in East Berlin.

John 15:20 (ESV) Remember the word that I said to you: ‘A servant is not greater than his master.’ If they persecuted me, they will also persecute you. **If they kept my word, they will also keep yours.**

Do not bend to the devils blackmail or believe what narratives are presented in the end.

They will speak blasphemies and villification of Christians to justify narratives to attack the church.

If they kept Jesus words... they will also keep yours... He warned of them doing this in the end.
