

The Apologetics of Islam and errors of the Quran.

The Quran suggests different amount of days for the creation.

Below we see that the Quran says heaven and earth was created in **six days**.

Quran-7:54: Your guardian-Lord is **Allah who created the heavens and earth in Six Days**

Quran-10:3: Verily your Lord is Allah, who created the heavens and earth in Six Days

Quran- 11:7: He it is Who created the heavens and earth in Six Days

Quran-25:29: He Who created the heavens and earth and all that is between, in Six Days

Then we see that It says that Allah created in two days.

Quran-41:9 : Is it that ye deny Him who created **the earth in Two Days ?**

Quran- 41:10: He set on the (earth) Mountains standing firm high above it, and bestowed blessing on the earth, and measured therein all things to give them nourishment in due proportion, in **FOUR DAYS...**

Quran-41:12: So **He completed them (heavens) as seven firmaments in Two days** and ...

is it six days to create earth? or two?

This is why the Quran cannot be trusted as a source from God it is in major error and cannot be trusted as a credible source of inspiration from God.
