

What the devil are you looking for?

Dearest literary traveler and truth seeker,

The poetry you seek is beyond these digital walls. Dark forces are afoot so please make haste and venture through the "Buy Now" door to find a keylink that will aid you on your journey.

From there, you will use the link to open a portal that mysteriously connects to another dimension where the poem has sequestered itself, awaiting your timely arrival.

I can't hold back the evil tide invading Midlandia alone. You must hurry!
