### **Conflict Stability and Security Fund (CSSF) Expression of Interest (EOI)**

The FCO has published the attached Expression of Interest. As per its text, it is open only to those suppliers on the CSSF Lot 2 Framework. We are aware however that there may also be interest from suppliers on the Syria framework, however EU Procurement Regulations prohibit us from competing the requirement via two frameworks simultaneously. Therefore we have attached the list of suppliers on the CSSF Lot 2 Framework at Annex A below. Providers on the Syria framework are encouraged to contact suppliers on the list should they be interested in entering into a partnership arrangement if they are interested in the requirement.
