Re: faxed referral

We spoke on the phone 1/23/19, earlier today. Attached is the referral from Dr. Barton mentioned previously.
I was given the fax num "1-504-412-1702". To send attached.

Hopefully, I have used the correct fax num. Apologies for past confusion on my part.
Future contact please again call me at, "985-520-4713".

	Type: Evaluation and Treatment	Reason: UMC Epilepsy Neurology Service--Had three grand mal seizures in the past. Had a lot of side effects to AEDs. Currently not taking any AEDs. Also has narcolepsy. Now seems to have little "events" that could either be CPS or narcolepsy sleep attacks. Not sure which it could be unless monitored overnight.
	Comments for Scheduler: UMC Epilepsy Neurology Service--Had three grand mal seizures in the past. Had a lot of side effects to AEDs. Currently not taking any AEDs. Also has narcolepsy. Now seems to have little "events" that could either be CPS or narcolepsy sleep attacks. Not sure which it could be unless monitored overnight. See my notes for details.;
